

Farnham Road Club

Club 10

8th June 2010

Thank you to everyone for the help, great job as usual.

If anyone else can help out one week it will be much appreciated.

Sorry to have to state some rules but it is very important for safety, especially as there has been a few incidents and complaints about the events in recent weeks.

Please take note of the following:

1. No riding in the 'start' layby in the opposite direction to possible incoming traffic.

2. We recommend that a working rear light, either flashing or constant, is fitted to their machine in a position clearly visible to following road users and is active whilst the machine is in use.

Time Keepers: Jim Brown
